TERMS OF SALE

- A. The American Numismatic Association's "Official A.N.A. Grading Standards for United States Coins" is used by the cataloguer.
1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
 2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
 3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
 4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
 5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
 6. Sales are strictly for cash in U.S. funds. Canadian and foreign collectors should send an International Money Order or Bank Drafts made out to a New York or Washington Bank.
 7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title and is in parenthesis.
 8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
 9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
 10. A List of PRICES REALIZED will be published about three weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00.
 11. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

ALL MATERIAL IN THIS SALE WILL BE AVAILABLE FOR INSPECTION

With The Editor

The Sale Catalogue as a Book of Reference

One of the most prominent British numismatists (Mr. W. J. Andrews, F. S. A.) says that "few numismatic works are so widely read as the Sales Catalogues of our great collections, and their general information and accuracy has converted them into books of reference."

There is a reason for this. A catalogue of any fairly complete series, the collecting of which has taken up years of an advanced collectors' life, contains a mass of detailed information of the greatest value to all, more especially to the young collector. A study of such catalogues is instructive and educational, and especially so when the list of prices realized for each lot is found in it. There is no better investment than the purchase of these lists; they show what advanced and experienced collectors are willing to pay for the coin you want. The collector who secured that piece based his bid on an experience of many years. You have the benefit of his experience and years of study by merely securing a copy of the list. No real up-to-date collector can afford to do without it.
